Dear Sir or Madam,

Re: Environment Fee

As you know, the environment fee which is charged by EAPC at the port of Ashkelon, and transferred in full to the National Unit for Protection of Marine Environment in the Ministry of Environmental Protection, has always been fixed at 100% of the lighthouse fee charged at Ashkelon.

We are pleased to advise that based on understandings reached with the authorities, we are able to lower the environment fee to 25% of the lighthouse fee presently charged. This new, lower rate, will apply from June 1, 2020. It is, for the moment, a temporary arrangement and we will advise if there is any change in the future.

Your faithfully,

Effie Milutin

Deputy General Manager, Commerce & Marketing
